Portraits: Children, Families and Engagement

Sitting Fee: \$150.00

The sitting will be approximately 1 - 2 hours at the location(s) of your choice. All outfit and location changes are included. I encourage my clients to be involved in this process. It is important that your personality shine through during our sitting. Choose locations, outfits or props that are special to you (or your child, your family, your relationship, etc). Plain clothing in similar tones works best. Busy and bold prints distract from you and the scenery.

Mini Sitting: \$75.00

The regular sitting usually produces 45-65 proof prints. I offer this more affordable mini sitting which usually takes place at just one location in one (or maybe two) outfits and produces more like 25-35 proof prints.

Proofs

I will produce a set of 4 x 6 prints in a mix of color, black and white and sepia. These are yours to keep, and also to use for ordering Prints.
